Dedication . . .

MRS. CHARLES JAMERSON

In spite of the fact that Mrs. Jamerson has been a member of our faculty for only one year---our final year---we all feel that we must express our grateful acknowledgement to her for the guidance and encouragement she has offered to each student who seeks her aid. Her understanding nature and pleasant attitude have made her beloved by all who know her. A great amount of respect is held for her and can be found in the classes she instructs.

With all these complimentary attributes, it is only fitting and proper that our 1956 INDIAN ECHO be dedicated to Mrs. Jamerson.

CLASS POEM

For twelve long years we've toiled and strived

To reach our precious goal.

Some have dropped out; but other stayed

And fought with courage bold.

Throughout the years we've had our trials

But never lost the light.

And so with eager hearts and smiles

Success is ours tonight.

Classmates, the day is drawing nigh

To bid each one adieu.

The fun we've had at Cooleemee High

Memory will keep anew.

Now as we leave, eyes filled with tears,

To go our separate ways.

We'll ne'er forget throughtout the years

Those happy, golden days.

INTRODUCTION

The Cooleemee Indians climaxed athletics at Cooleemee School in a great way. The year of '55 was the first for Cooleemee to enter Conference competition. The record for the Indians was 9-1 losing only to a strong Thomasville eleven. This was good enough for the Granite Belt Conference Championship. It also boosted Coach Ward's record at Cooleemee for the past three seasons to 27 wins, 3 losses.

The Indians placed six men on the All-Conference team. These were Teddy Moore, Gerald Canupp, Bill Garwood, Robert Taylor, Hayden Myers and Bob Shaver.

BRAVES CHILL NORTHWEST

Cooleemee opened it's football season of '55 by beating a heavily favored Northwest team of Winston-Salem, 20-19. Bob Shaver stood out on offense with his "blockbusting" running to score two touchdowns. Robert Taylor, All-Conference guard, blocked the extra point attempt in the final minutes

COOLEEMEE MAULS GRAY RESERVES

Coach Ward's tribe warming up for Conference competition trampled the Gray Reserves, 52-0. All

of the Cooleemee backs scored. On defense the line held Gray to 25 yards rushing.

INDIANS TOPPLE ROCKWELL HI

Entering the first game of Conference competition with a "bang" Cooleemee defeated the Rocks, 31-0.

Canupp was the "big gun" on offense. He averaged 12 yards per carry, and thrilled the fans with a 75 yard jaunt to turn the game. Moore and Cornatzer stood out on defense.

COOLS ROLL OVER NORWOOD

Bad weather and a mean line stopped Norwood's offense completely as Cooleemee chalked up their 12th consecutive victory, 27-0.

Garwood ran for two touchdowns and passed to end Hayden Myers for another to spark the Indians on offense. Shaver scored the final touchdown with a 26 yard run around the end.

COOLEEMEE SHADES CLEVELAND

The Cools, led by end Sidney Hall, edged Cleveland, 14-0. Over confidence showed in the first half with the score 0-0. The Indians came back in the second half strong scoring on a line buck by Shaver. With the score 7-0, the Indians went to the airplanes with Garwood throwing to Hall for a 27 yard touchdown.

INDIANS TRAMPLE BADIN IN HOMECOMING

The fired-up Cooleemee team defeated Badin High, 49-6, before a homecoming crowd. Myers, Hall, and Harris, Cooleemee ends, hauled in 3 touchdown passes from Garwood for a total of 150 yards.

Freshman Richard Stafford got off on a 60 yard touchdown run, with hard blocking by Harris and Taylor. Defensive play was led by end Allen Snipes. Cooleemee gained 532 yards rushing and passing for a successful homecoming affair.

GRANITE QUARRY LOSES TO COOLS

Cooleemee, playing with substitutes most of the game, defeated Granite Quarry, 21-6.

Freshman Jerry (Chung) Bailey and Monroe McDaniel played sensational defensive ball to spark the Indians.

The scoring was by Canupp and Shaver, two of Cooleemee's All-Conference backs.

INDIANS SURPRISE HARTSELL

Cooleemee, with 15 straight victories to their credit, trampled Hartsell High of Concord, 39-7. Ed. Hellard, Cooleemee's big line man, was the main man in stopping Hartsell's successful offense.

On offense once again Shaver, Brown, and Canupp's running could not be stopped. Shaver led the scoring with 3 touchdowns, Brown 2, and Canupp, 1.

INDIANS ROLL WILDCATS

The Cooleemee Indians defeated the Mocksville Wildcats, 26-2 before a large crowd. The strong Cooleemee line "manhandled" the Wildcat's offense and held them to only 16 yards rushing. Cornatzer, McCullough, and Moore were stand-outs for the Indians on defense.

Canupp, Brown, Garwood, and Shaver each scored once for the Indians. Canupp and Garwood received credit for Mocksville's safety by recovering a fumble in the end zone.

THOMASVILLE SNAPS STREAK

After winning 19 consecutive games, Cooleemee was defeated by a strong Thomasville team, 6-0.

The touchdown came in the opening minutes of play on a 60 yard run by Stichcome, The "Bulldogs" never again threatened seriously.

Outstanding on defense were Ted McCulloh, Ed Hellard, and Teddy Moore.

Halfback Buster Brown was the leader on offense for Cooleemee. The Indians invaded deep into the "bulldogs" territory several times but couldn't drive over.

GIRLS' BASKETBALL

Linda Gorwood, Norma Jean Cornatzer, Annette Howell, Inez Nichols, Joan Shore, Coach, Tom Ridenhour.

Coleeemee's 1956 girls' basketball team, coached by Tom Ridenhour, has the combination of both speed and height to depend upon for a victorious season. Most of the girls are trained for either forward or guard, thus they can be switched consistently for a winning combination.

At the end of the first half of the season, the Indians had a record of 6 wins; 5 losses to gain the position of tops in the county. Shelby Everhart, Joan Shore, Lucy King, Annette Howell, Inez Nichols, Norma Jean Cornatzer, Peggy Lambe, and Linda Garwood were the players seeing a lot of action.

BOYS' BASKETBALL

Coolleemee's 1956 boys' basketball team, coached by Jack Ward, has a strong combination of speed and good sportsmanship. Their co-operation and ball handling is a joy to watch. Each boy knows his duty and carries it through perfectly. The boys are trained to take care of the ball and handle it well. The result of this training is 9 wins; 2 losses thus far in the season.

Leading the Indians are Bill Gorwood, Teddy Moore, Glenn Cornatzer, Hoyden Myers, Charles Templeton, and Allen Snipes.

CLASS HISTORY

In the year of 1953 fifty-six girls and boys entered the walls of Cooleemee High School to spend four of our happiest and most eventful years of school. Mrs. Bost was the girls' advisor and Mr. Young had to cope with the boys. We were in new surroundings, but we found our way around. Our class officers were: Gerald Conupp, President; Betty McCullough, Vice-President; Shelby Foster, Secretary-Treasurer. Since we were known as "little green freshmen" we were more than proud when Shelby Foster, Shelby Everhart, Joyce Fields, Merlene Head and Phyllis Freeman made the girls' basketball team. Bill Garwood and Hayden Myers made the boys' basketball team. Sid Hall, Bill Garwood, Teddy Moore, Hayden Myers, and Ted McCulloh made the football team. Bill Garwood, Gerald Conupp, and Charles Templeton made the baseball team. Carolyn Klein and Ruby Bowles made the cheerleading squad. A large number of pupils joined various clubs, so in the sports field the freshmen proved to be not too green after all. During the year we welcomed three newcomers, J. W. Brown and Frances Rose from Dobson, and Joe Childers from Mocksville.

After what seemed a short vacation, forty-six students returned to school as Sophomores. Mr. Sink was our advisor. Our class officers were: Carolyn Klein, President; Sid Hall, Vice-President; Shelby Foster, Secretary; Charles Templeton, Treasurer. Again we were represented in sports when three girls and five boys made the basketball teams, nine boys made the football team, and four boys made the baseball team. Two girls were cheerleaders. This year we welcomed a new student, Nettie Anne Wood, from West Yodkin.

The year passed and before we knew it we were Juniors. Forty-five students returned to school. One of the students was a newcomer, Jeon Tokorz, from Delaware. Mr. Word and Mrs. Price were our advisors. The class officers were: Joe Childers, President; Joyce Messick, Vice-President; Teddy Moore, Secretary; Charles Templeton, Treasurer. We were represented in sports when three girls and seven boys made the basketball teams, ten boys made the football team, seven boys made the baseball team, and two girls were cheerleaders.

Our Junior year was highlighted by two exciting events. Under the direction of Mrs. Price, we presented a three-act comedy entitled "For Pete's Sake." The Junior-Senior Banquet was held at the Woman's Club, Thomasville. The theme of the Banquet, "Moonlight and Roses," was carried on throughout the program.

We were proud of ourselves after our participation in the commencement exercises, with six Juniors acting as marshals and the remaining acting as ushers to the Seniors. We were then looking forward to our Senior Year.

Finally we reached our Senior Year. Mrs. Hicks was our advisor. Our class had dwindled down to thirty-seven. Our class officers were: Charles Templeton, President; Shelby Foster, Vice-President; Phyllis Freeman Sells, Secretary; Shelby Everhart, Treasurer. As usual we were represented in sports when six boys and two girls made the basketball teams, nine boys made the football team, and two girls were cheerleaders.

This year under the direction of Mrs. Hicks, we presented our class play, "A Ready-Made Family."

We are now looking forward to our Junior-Senior Banquet, at which we, the Seniors of '56, will be the honored guests; our trip to Washington; and the greatest event of all, our Graduation Exercises, at which we shall receive our rewards - the diplomas!

We can never fully express our appreciation to our parents, teachers and friends who guided and helped us reach our goal of graduation. May we repay them in part by proving that we are worthy of their efforts and sacrifices, as we, the 1956 Senior Class of Cooleemee High School go to face the future of countless days.

CLASS PROPHECY

Today, Crystal Ball, I ask you to tell me where the members of that memorable class of 1956 have wandered. They left me ten years ago carrying a banner of blue and white. During our high school years, I saw them all as they traveled down the road of life leading to the great Metropolis called "Ages." I am lonely far from them and I know that you can bring them to me through the strange power given to you by the god of mystery, "Abra Cadabra."

I see a faint picture. Ah! there I can see it clearly now. It is an old classmate, Arnold Bawles, sitting behind a large desk. He is now manager of the Erwin Cotton Mills. Now the picture slowly fades, and a new one takes its place. The scene switches to the hall of a hospital, and walking down the hall toward me are two nurses. As they draw near I can see their faces. They are two more classmates, Ruby Bowles and "Susie" Webb. As fast as one picture fades another takes its place. Next, the scene is in a hangar at an Air Force base. There, standing beside a new jet plane, are two more classmates who are jet mechanics, Edward Wagner and Gerald McDaniel. Sitting in the pilot's seat is another old friend, J. W. Brown. Then I hear the roar of crowds of people, and suddenly, I am in a stadium. Down on the field, the Cleveland Browns have won another championship game. Who sparked them on? Why, none other than that great scoring team from the Cooleemee team of '56, Bill Garwood and Gerald Canupp. Then the scene shifts to an exclusive dress shop in New York. There I see two models, Betty McCullough and Shelda Ann Jones. Next, I have a box seat at the Metropolitan Opera. There I see two more faces I knew as close friends, Geraldine Wagner and Norma Jean Beck. Next, I hear the sound of a hill-billy band. It is Ronnie Smith and the Silver Bell Rangers. Then I hear the sounds of a busy office. It is the office of the Secretary of Agriculture; C. H. Nolley, Jr. is seated behind the desk. His secretary is another old friend, Joyce Ann Fields. Then I am inside the White House where I hear the President congratulating a person for a job well done. The job was redecorating the White House and the decorator is Shelby Easter. Then I am inside a large automobile plant. In a laboratory I see a man bent over a drawing table. Suddenly he turns, it is none other than Sid Hall who is designing motors for the Ford Motor Company. Suddenly, I hear the buzz of a basketball time clock. Down on the coach's bench I see two more of my friends, Teddy Moore and Shelby Everhart, who are coaching at Davie Central. Then the scene switches to a small home where I see a small family waiting for guests. The door bell rings and the hostess, Phyllis Easter Potts, receives her guests, Phyllis Freeman Sells and her family. Now the scene changes back to familiar territory, Cooleemee; there I see Allen Snipes running the Cooleemee Service Station. While I am standing on the square of Cooleemee, I see a truck go by. On the side is the words, "ReNu Cleaners, The World's Largest, Proprietor, Donnie Hinkle." Then the scene switches to an army base. There I see a familiar face--Joan James, who is the wife of one of the officers at the base. Then, suddenly, I am in an X-ray room, and who should be running the X-ray machine, none other than Jean Takarz. On and on the pictures move. Next, I am in the control tower of a large airport. There sits Joyce Messick who is head communicationist. Next, I am on the streets of a large city. I hear the cry, "Extra, Extra!" I buy a newspaper and read an interview of a sports personality. Who wrote it? Charles Templeton, who is the sports editor for the world's largest daily newspaper, The Cooleemee Journal. Then I smell rubbing oil and steam, and I am in a reducing parlor operated by none other than Ted McCulloh. Then I hear the voice that thrills millions of people. It is another of my old friends, Hayden Myers. Suddenly, I am in a National Forest. I hear a voice giving orders to cut a large amount of trees because they are obstructing the growth of other trees. It is Haywood Graves, who is a leading tree expert. The picture changes and I am in the Pentagon at Washington, D. C. There I see two more old friends, Janet Mauldin and Nettie Wood, who are working for the Commandant of the United States Army. Then the scene switches to the peaceful country side of Pine Ridge. There Janet Link is living happily with her husband and family. Suddenly, I hear something I remember very well "Parlez vous Francois" and I am in a French Class; the class I taught by the most brilliant French student Mr. Ward ever taught. It is Professor Glenn Cornatzer, who is now teaching Mr. Ward's son.

Then the picture slowly begins to fade, as if it were reluctant to leave. Then suddenly it is gone and the crystal ball is clear.

My Crystal Ball has shown me where the Class of 1956 has scattered. May they continue to be as gay and as happy as they are now and may they carry the blue and white banner on to new glories and new achievements.
